

# AREA Madrid: A coworking space with plants, pups & perfect vibes

If you found yourself working an office job in early 2020, you've probably had the same flurry of questions in the past two years as I have: Will the office shut? Will we work from home forever? What does the future of work look like? How will company culture survive???

And while we don't quite have all the answers yet, one thing is for sure: the pandemic has ushered in a new era of hybrid working that is here to stay. When we at NakedMadrid (and [VeraContent](#)) closed our physical doors in summer 2021, we opened many non-physical ones: flexible working, more time with our pets at home, and a membership to a very cool coworking app called [Croissant](#).

Croissant is an app that allows you to cowork in sick spaces in almost every major city around the world. Just in Madrid, we have about 11, and they all have their unique perks.

After trying out a good number of them, though—alongside many normal, non-Croissant cafes—a favorite of mine has emerged. It's called [AREA Madrid](#), and it's perfect.

For those not enrolled in Croissant, the price for a hot desk is €180/month, which includes unlimited access Monday-Friday 9am-7pm. The price for a fixed desk is €240/month, which includes a personal space that's all yours and 24-hour (!!!) access Mon-Fri to the facilities. Both options include the

benefits I enjoy as a Croissant user: super-fast wifi, meeting room use, private lockers, showers, bike parking, printing, anti-Covid ventilation, 24/7 security, and more.

And while they're still a pretty young company, they're starting to host some really cool events, from yoga sessions to indie film screenings and more. If you're looking to book a space for an event—either for yourself or your company—you can chat to them about it [here](#).

Either way, enjoy these photos of my favorite place to work in Madrid.
