

The Orange Dogs of Halloween – Party at Desperate Literature

Want to do something different this **halloween in Madrid**? Then head over to [Desperate Literature](#), a charming little bookstore near Opera, and wear your best costume. Marian Womack, editor of Ediciones Nevsky, translator and sci-fi legend, will be ushering in the halloween festivities with a reading of her most recent work, 'Orange Dogs'. There be all the usual tricks and treats, meaning **booze**.

Dress code: cosmic horror.
