Adelita Market, great second-hand clothing market in Malasaña

[Adelita Market](#) is a monthly flea market that usually takes place at a cultural center in Malasaña called [Espíritu 23](#) (named after its address, c/ Espíritu Santo 23). Although this time it will be held outside in **Plaza de Dos del Mayo**.

The market mostly offers clothes, jewellery and accessories, although I've landed on other treasures too. It's a great Saturday plan, as it's free and in Malasaña, meaning you can

grab a beer at any nearby cafe or bar right after your browsing session.

I particularly love this flea market as I always find great items and even got my own stand there once ([here's a full article on Adelita Market](#)).
