

Peyote San, Mexican fusion at its most fabulous

I love Mexican food. I mean, I properly **LOVE** it. A holiday spent in Tulum with tequila on tap was possibly as close to utopia as I'll ever get on the food front. Tacos, guac, and burritos – I love them all equally and don't get me started on margaritas – second to gin (and possibly water due to pure necessity) it definitely edges its way into my three most supped liquids. So imagine my intrigue when I'd heard about the menu at [Peyote San](#) – a place that's managed to fuse **Mexican munchies with sushi**. Definitely worth a gander I mused and suffice to say it was.

Located near Colon (or as I affectionately refer to the area with the 'giant flag') [Peyote San](#) restaurant is en route to where the good shops are. From the outside looking in it could easily be missed, but the interior is anything but shy and retiring. **It's instantly instagramable** (yes, that's now a word along with with TMI and FML) largely due to the bold graffiti-type images that adorn most of the walls.

If you've travelled to the Big Apple it certainly feels reminiscent of somewhere swish that you'd find on the Upper West Side – choc-a-bloc with beautiful people sipping elaborately prepared cocktails. However, fear not, it wasn't a case of style over substance as **every last morsel was utterly delicious and well worth the late school night in my case.**

I've yet to visit Japan (although it's on my bucket list) and the cuisine at Peyote San was the next best thing. I worked my way through A LOT of food to make this review as authentic as poss so drumroll please – I can vouch that the **tatiki tuna,**

chicken gyoza, black cod and the Japanese curry with bonito were all delectable as were the pretty potent Asian Malgalita's – a Peyote San take on a classic Marg and unquestionably are to be enjoyed with an air of YOLO – and not the worry of reaching for ibuprofen the following day.

Given the uniqueness of the food, it was also a really nice touch that the chef came over to talk us through the menu and his knowledge and evident passion for the food made the evening all the more gratifying. Peyote San definitely isn't the type of locale to visit if you've got too much month left

and not enough money. **It's definitely more of a date night treat or a birthday splurge.**

Having said that, come Saturday nights, tables are shuffled to the sidelines so that patrons can get their groove on. Having lived in Madrid long enough now to know that Madrileños would favour spending their last fiver on a night out (than something sensible), Peyote San shouldn't remain on your wish list, **pop it in on your hit list now.**
