

# Adelita Market, great second-hand clothing market in Malasaña

[Adelita Market](#) is a monthly flea market that takes place at a cultural center in Malasaña called [Espiritu 23](#) (named after its address, c/ Espiritu Santo 23). You'll mostly find clothes, jewellery and accessories, but you may end up landing on other treasures too. It's a great Saturday plan – it's free and in Malasaña, meaning you can grab a beer at any nearby cafe afterwards.

I particularly love this flea market as I always find great items and even got my own stand there once ([here's a full article on Adelita Market](#)).
