Adelita Market, great secondhand clothing market in Malasaña

Adelita Market is a monthly flea market that takes place at a cultural center in Malasaña called **Espiritu 23** (named after its address, c/ Espiritu Santo 23). You'll mostly find clothes, jewellery and accessories, but you may end up landing on other treasures too. It's a great Saturday plan — it's free and in Malasaña, meaning you can grab a beer at any nearby cafe afterwards.

I particularly love this flea market as I always find great items and even got my own stand there once (here's a full article on Adelita Market).
