

Spanish Craft Beer Tasting at La Buena Cerveza

On Friday, Jan. 16th, get ready for an international craft beer tasting at [La Buena Cerveza](#), our favourite beer shop in Chueca. This 2-hour tasting costs 15€ per person. You'll end up a bit tipsy, but don't worry, as tapas are served with every round. This is also a good way to learn some new Spanish vocabulary – do you know how to say *wheat*, *malt* and *hops*?
